

Interns Wanted

Earn college credit while making a difference in your community!

This is a great opportunity for a student who is studying social work or are interested in a career in a helping profession.

About the SHARE Center

The mission of the SHARE Center is to provide a mutually-supportive, safe space with resources for the recovery of vulnerable people who are experiencing issues with homelessness, mental health, hunger, or addiction.

Benefits

- Learn more about important social issues in your community
- Develop key relationships and gain experience that will help you throughout your career
- Great job experience to add to your resume

Internship Responsibilities

- Helping front desk staff attend to consumer needs
- Coordinate activities for consumers
- Socialize with consumers
- Connect consumers to resources in the community
- Data entry and filing

Minimum Qualifications

- Be able to work with people from a diversity of backgrounds and experiences
- Be compassionate and understanding
- Basic Microsoft and computer skills
